Diablo Lake City Light Cruise & Skagit River Picnic Lunch

August 23, 2025 **<p>Currently, this tour has sold out.</p>**

\$149.00

Includes: Transportation, Lunch & Cruise

The adventure begins by boarding the new boat designed especially for Skagit Tours — the Ross IV — which features heating, air conditioning, an onboard restroom, and a cabin roof that is mostly glass to maximize views. A 14-foot open aft deck also allows passengers to enjoy the tour from outside.

As you cruise glacier-fed Diablo Lake, you'll learn about the surrounding wildlife habitat and enjoy views of snow-clad mountain peaks, islands, and waterfalls. Experience parts of the lake that are hidden from view when traveling the highway or trails.

Your tour will come alive with stories about the early explorers and settlers in the area and the challenges of building the three Skagit River Hydroelectric Project dams and powerhouses. We will be hosting a picnic lunch before the cruise. We promise the scenery will delight you!
