This trip sold out last year — quick, BOOK NOW!

Embark on an unforgettable journey through the heart of the Columbia Gorge, where natural wonders and engineering marvels await. Witness the mesmerizing process of locking through the Bonneville Dam, a testament to human ingenuity harmonizing with nature's might.

But the wonders don't end there. We'll journey further, unveiling the crown jewel of the Columbia Gorge — Multnomah Falls. You will also get a view of the magnificent Beacon Rock, an 800-foot monolith. Captain Tom will regale you with tales of the river's history, from its ancient origins to the modern engineering feats that tame its flow.

Whether you're drawn to the raw power of the river, the technical marvels of the dam, or the tranquil beauty of Multnomah Falls, this expedition promises an immersion into the heart of the Pacific Northwest's natural and man-made wonders.

Return time varies due to boat traffic at the locks.
